

Dear Department of Health Response Team,

Re: DoH Joint Consultation of the Report to Ministers from the DH Steering Group on the Statutory Regulation of Acupuncture, Herbal Medicine, Traditional Chinese Medicine and Other Traditional Medicine Systems Practised in the Uk.

As a patient, I want the Government to establish Statutory Regulation for Herbal Medicine, Acupuncture, TCM and other traditional medicine systems.

No arrangement other than Statutory Regulation will meet my needs.

I could not fill in the Consultation response online due to its complexity and difficulty to use.
